

Starter Activity

Present 'Bulletin' slide show and discuss any key points that are relevant. Give example of current DET learning log to show structure.

Recap Activity

Review the Prevent course that was taken and open up a discussion about its important role within our current social political climate. Enquire about its link to current Unit. Set overall aims and objectives of tutorial session.

Learning Outcomes

The learners will be able to:
Summarise their understanding and awareness of prevent strategy.
Take part in a one-to-one tutorial and engage in a discussion about major project.
Develop their online learning log and structure it into a more coherent artefact.
Measure their overall practice and participation through the workshop checklist.

Additional Learning Support & Learning Support Assistant Direction

Through one-to-one tutorials, specific tailored learning and aims can be formulated.

E&D/FBV/PREVENT/PDBW/Employability

Through the recap activity, the learners can be asked about their understanding of the recent online Prevent training.

Stretch & Challenge

This can evolve into the DIS/Homework activity.

Numeracy & Literacy

Through continuous research and analysis of the given workshop handouts, the learners will better understand pedagogical terminology.

Resources, Trips, Visits & ICT

Ensure that all learners have access to a computer for the core research and blogging session.

Active Learning & Learning Checks

1. Instruct the learners to revisit all past practical workshops and to make sure that they have included at least one key practitioner in their blog entry.
2. The core session will involve conducting one-to-one tutorials based upon the current smart targets. Project proposals to be read and live critiqued to suggest possible developmental objectives.
3. Individual checks can be carried out via the tutorial to gauge the learners progress and understanding of what is required. Reiterate the Unit's main objectives and requirements to strengthen their awareness.

Summarise

Overall line of enquiry towards the group about their development and level of input into their learning logs.
